harbour isp

At Harbour ISP, we know that sometimes our customers may face unexpected circumstances that can affect their financial position. From the moment you decide to join us, we endeavour to start you on the plan that best suits your needs and budget. If your situation changes, we work with you to put a plan in place to help you manage your bill until your finances are back on track.

You can visit [www.harbourisp.com.au](http://www.harbourisp.com.au) to determine how much of your data you have used. If at any time you have questions about your account or are experiencing financial difficulties, please do not hesitate to contact us by calling 1300 366 169 (8.30am to 5.30pm AEST, Monday- Friday), emailing [accounts@harbourisp.com.au](mailto:accounts@harbourisp.com.au), or by post to PO Box 572 Mudgee NSW 2850.

Please note that this policy is intended to help those in a situation of financial hardship who are willing to pay their bill but unable to do so within the prescribed time. Examples of the change of circumstance which may warrant the implementation of this policy include: loss of employment; relationship breakdown; injury, illness and hospitalisation; loss of a family member, and; natural disaster.

If you are suffering financial hardship it is better to advise us of your problem and let us work with you to resolve it. If you do not advise us and fail to pay your bill then your account may be referred to the collections process that seeks to recover what you owe us. This may affect your future credit standing.

## Financial Hardship Agreements

At Harbour ISP, staff are trained both to identify and to assist customers facing financial hardship. We will work with you to develop a Financial Hardship Arrangement that will set up a timetable to pay your bill. Any Financial Hardship Arrangement offered to you is intended to allow you to maintain some level of service while we work with you to meet your financial obligations.

The terms of a Financial Hardship Arrangement depend on your individual circumstances. Examples of terms that may be put in place include: spend controls; restrictions to service; extensions on repayment periods; partial payment instalment plans, and; waiver of certain charges. The duration of arrangements will vary and may be subjected to periodic review.

Financial Hardship Arrangements are intended to help you when you need it, and you have certain responsibilities to help the process. You are responsible for: acknowledging the debt and your obligation to repay it; providing sufficient information for an accurate assessment; being willing to reduce your usage to a level you are able to pay and take up relevant service options to that end; making repayments as agreed; using appropriate products, services and access levels, as negotiated with us, and; notifying us immediately if your financial position changes again so that the arrangement can be reviewed.

When Financial Hardship Arrangement terms are agreed, we will confirm these details to you in writing and also outline your rights, obligations, and the consequences of failing to adhere to the arrangement. The arrangement cannot commence until you have agreed to and officially accepted all of the terms.
